WISH HOUSE NEWS #1 (every 3 months)

Greetings!

WISH HOUSE is the group, sponsored by Japanese, for caring children who have problems which were dropped out the school, labored and have no chance to study because of poverty. We support the children academically (Math, English, Tagalog), giving the experience (ex. sawing, cooking, craft, music, sports) and also teach and inform them how to construct their future. Here will be the shelter of the children who have problems and try to protect them temporarily from their problems.

I . Institution

WISH HOUSE rent the Training center of Purok 4 monthly since 2008.

II . Activities

1. Small Classes at the institution; supporting academically/ activities on 4 days a week,.
2. Outside Classes on the area; doing same activities at the institution randomly on weekend.
Area ex) Calapandayan, Cawag, Holo, Mangan-vaca, Naugsol
3. Accepting the Japanese volunteers to the institution and work together.

III. Special project

1. “Children’s Green Thumb Project”; beautification and gardening for the community cooperated with purok 4.
2. “Santa-clause Project”; giving the Christmas gift like the soft toys and the toys donated from Japan on Christmas season.

IV. Petition to Mayor

1. **Special Permit** ; We pick up the children from their home, but the number of the children could ride on the tricycle is limited under the rule. *If there is special permit to ride many children on it by Mayor, we could care much more children.*

2. **Information**; If there are the children who cannot go to school because of poverty in Subic, we are pleased to know and care them on our institution. *We would like you to inform us the children. We will do our activities under your regulations.*

We are appreciated with your understandings to our activities. We hope good relationship between Philippine and Japan continuously and prosperity of Subic City, Zambales, Philippines in the future!
