WISH HOUSE NEWS #3

Greetings!

WISH HOUSE is the group, sponsored by Japanese, for caring children who have problems which were dropped out the school, labored and have no chance to study because of poverty. Here will be the shelter of the children who have problems and try to protect them temporarily from their problems.

I . Training Center

On March 2012, we finished building the second floor of our institution in Purok 4, Mangan-vaca. On the second floor, we started the Training Center for the young above 16 years old.

1. The Computers and typewriter learning

Right now, we have two computers and one typewriter. The people use them for filing the data, making the documents, designing the pictures and watching the photos and the videos. There is software "Windows Office 2010", and especially we could promote learning the works for the secretary.

2. The sewing machines learning

We have two sewing machines and we open them for leaning anybody in the community.

Especially for the young who will have their families near future, we will make a class . We also have sewing materials which donated from Japan. We hope the class will be spread to the wide vision.

3. Library

We own about 1,000 books and the 50 books of them are for the young which are the encyclopedia, the collection of photographs and the dictionaries, the teaching materials' CD-ROM and the videos. We hope to collect those kinds of books more and people will get more information!!

II. Japanese culture exchange

From Japan, we have many unique donations! The children enjoy those traditional things and learn international vision through those. There were Japanese visitors also came to WISH HOUSE.

1. "Soroban" traditional calculation
2. "Kabuto" traditional doll for the boys
3. The Japanese visitor visited the area around Subic.

V. Petition to the Mayor

1. **Information:** If there are the children who cannot go to school because of poverty in Subic, we are pleased to know and care them on our institution. *We would like you to inform us the children. We will do our activities under your regulations.*

We appreciate with all your cooperation and understandings of our project!!
